

## 4 Drum In-Line Pallet &amp; Ramp

**LOW PROFILE IN-LINE POLY-SPILLPALLET 3000**

**Where no drum storage has gone before.**

You'll be surprised how much new space you'll be able to find around the plant floor when you start storing drums on our In-Line Poly-Spillpallet 3000. Start storing them in-line near the wall, between columns, and in all those spaces you thought were unusable-until now. It's just another innovative way to help you manage your hazardous materials. Optional drain hole with plug and tarp for outdoor storage.

- Holds four 55-gallon drums
- Holds up to 3,000 lbs UDL weight
- Non-skid, removable grates
