

## Overpack 65 Salvage Drum

Our Poly-Overpack 65 meets Group 1 packaging standards, salvage drum regulations, and is designed to fit 30-gallon drums. This overpack nests for easy storage and has a gasket in the lid for secure containment. No wasted space! No wasted money! Meets performance-oriented packaging requirements of U.S. DOT and UN regulations.

**Great as a spill kit container, too ==>**

It's light enough for one person to handle and large enough to pack sufficient absorbent and response equipment for incidental spills.
