

Overpack 95T Salvage Drum

Poly-Overpack 95T

Cuts remediation time in half!

Poly-Overpack 95T meets Group 1 packaging standards and salvage drum regulations. Patented Tight Grip™ handles let you tighten and open lids in half the time with fewer people!

The Poly-Overpack 95T incorporates the same structural features as the regular Poly-Overpack 95. You get the same benefits in an even easier-to-tighten package. Meets performance-oriented packaging requirements of U.S. DOT and UN regulations.

Drum lifter lifts and lowers 55-gallon drums with ease! Safely lifts steel drums up to 1,000 lbs. and fits both open- and closed- head designs. Tension spring adapts to diameter of drum. (Product No. 3100-BU)

Can be moved with standard material handling equipment

Drum truck portable.

Nestable design for efficient storage.
